Two years ago, we opened a Lending Office at the Village Commons in Edwardsburg. This office has been such a success that we are now able to open a full service Branch.

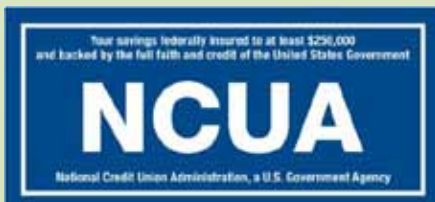

Ground breaking was on Thursday March 15, 2012 with the construction slated to be completed by October 2012. The above sketch shows the layout of the building.

The new building, located on the lot of the former Legend's Restaurant, will offer a 4,400 square foot full service Branch with an ATM and Drive Thru Services. This new branch, when open, will be able to handle all of your financial needs including new accounts, loans, IRA's, mortgages and more.

Tony Leininger of Carmi Design is executing design for the new branch and Hunt Builders will oversee construction.

Our location in Village Commons will still be open to continue to serve and help our members while the construction is in progress.
